## Instructions for completing form

### Photo ID

To use the ranges effective January 2020 you must be in possession of your photo ID membership card.

### Access Card.

Entering and leaving the property is via a sliding gate, which requires your access card. Your access card will also give you access to the main building for the bathrooms and indoor ranges.

### Family membership.

Family membership only applies to the member, their spouse/partner and children under 18 or under 21 while in full time education and still living at home.

We are now requesting your child's age because we have found people have included their parents, grandparents, cousins, etc. as family members in the past.

Photo ID cards and access cards are only issued to the main member and their spouse/partner. Youth members are issued a green membership card that does not have a photo.

### Multi Year memberships.

We accept memberships up to 3 years. The cost is based on when you pay for the first year and the discounted November rate for the other years. For example if you wanted a 3 year membership and paid in December 2020 the cost would be 2021 \$225, 2022 \$205 and 2023 \$205, total \$\$635. Price increases in 2022 and 2023 would not apply to you.

Please note, once paid the future amounts are not refundable. If you move or are no longer able to use the club we will not refund any of the payments.

### CSSA.

Many members also belong to various firearm/hunting organisations and we encourage you to support as many of those organisations as possible to help ensure the future of our sport.

**At this club CSSA membership is mandatory**, if you have already paid for all of 2021 then you do not have to pay again but your CSSA number, expiry date and how you paid must be entered **or your renewal will be rejected**.

If you pay your CSSA directly mid year it is important that you inform us as once your payment is made as your access card will expire on your membership expiry date or CSSA expiry date, whichever comes first.

Please note, if you have a lifetime membership of the CSSA then it only applies to the individual. For family membership, you will have to contact the CSSA directly for family coverage.

### Minimum information required.

If you know your membership number (on your photo membership card) and your details (address, email, phone, etc) have not changed, enter membership number, name, family members names (if family membership) and their details, payment amount, payment method, sign and date the form.

If you do not know your membership number, enter your name and address (we have members with the same first and last names), family members names (if family membership) and their details, payment amount, payment method, sign and date the form.

If any of your details (address, email, phone, etc.) have changed, enter the information specified above plus the changed information in full.

### Methods of payment.

**New online option**, only for members that have no changes to their details. **NO** form required web address [renewals.ltvfg.ca](https://renewals.ltvfg.ca) answer required questions and payment is by debit or credit card.

**Cash** can only be used when paying in person or when leaving it in the drop box.

**Cheque/Money Order** can be used when paying in person, leaving it in the drop box or when sending by mail. Cheques should be made payable to L T V F & G.

**EMT/EFT** should be sent to [renewals@ltvfg.ca](mailto:renewals@ltvfg.ca) A security answer is required. Do not make the security answer your name as that information is normally included in the email from Interac.
