February 2021

COVID-19

Please see our main website page for information on what you need to know to use the club. Ranges are ALL open but there are still limits on each range. Please see below under 'Range Use'

Membership Renewal Update

The membership renewal process for the club is now complete. Except for a few numbers of members, who have been written to, where we are waiting for either a photo or their renewal form, all 2021 stickers have been mailed out and access cards updated to your new expiry date. If you have not received your sticker, please contact renewals@ltvfg.ca.

New Member Intake

On Tuesday February 16 at 18:00 the 2021 waiting list will be posted on our main website for new members to sign up for the waiting list. There are only 175 new membership spots.

Range Use

If the target backers will no longer support a target, remove the target backers, and take them to the front of the range by the Range Use sign. DO NOT put them in the shed. Then go to the club house and get replacement backers. Only take what you need.

Clean up all your shell cases and remove all targets. Make sure the range is clean for the next member. Report any problems by email to president@ltvfg.ca and note the range, time, and date.

Range limitations and restrictions are as follows,

Range #1 9 bench positions.

Ranges #2 to #5 are still limited to 5 people per range for physical distancing.

Range #6 (TRAP) is closed for the winter

Range #7 (SKEET) is open for personal use with a 5-person limit

Range #8 (Sporting Clay) is Open Sundays as normal with physical distancing required.

Ranges #9 and #10 (Indoor) are still limited to 2 people per range for physical distancing.

Range Updates

The NEW range light system has been installed that will replace the current flags on each range. Click [HERE](#) to download the new, updated, Range User Guide.
