### **Projects for 2025**

Bay #13 we are expecting to start to receive delivery of some large block around the end of March.

Sporting Clay area. There will be some work around the main storage building as we are getting quotes to install a rollup garage door to make it easier to receive the clay birds.

We are also getting quotes to install a cement pad in the workshop area.

New Picnic tables will be coming in the spring to areas of the club.

We are working on new IT infostructure and new member management software and our website.

We are investigating a new play set area for the kids on the front lawn of the club house.

We are investigating new shelters on some bays.

We are ordering new SKEET machines to make skeet shooting more reliable and more fun.

We are asking members of the club if there are any updates you would like to see?

We will be looking at replacing some of the archery 3D targets.

We are looking to updating indoor Bay #1 with ballistic rubber.

We are investigating the life expectancy of the oil furnace in the club house.

We are working with IPSC Ontario on setting up a Black Badge course.
