CLUB UPDATES

Our annual Youth Day event was a huge success!

We hosted over 425 people, including 225 kids. The event featured both shooting and non-shooting experiences for the kids. In addition to trying handguns, rifles, shotguns, and archery, kids enjoyed cotton candy, a bouncy castle, a rock wall, animal exhibits, and more.

Thank you to all the volunteers that helped with setup, running the event, and cleanup. The event would not happen without you.

We look forward to another great event in 2027.

Garbage & Recycling Changes

There has been an increasing amount of cardboard and garbage left behind by members on the bays. To alleviate some of the work and cost of disposing of the trash left behind, the club will be transitioning to a "BRING IT IN, TAKE IT HOME" policy. Members will be expected to take home any materials they bring to the club, including targets, ammo boxes, etc. Buckets will continue to be available for used brass.

Smoking

Smoking is prohibited on all bays.

Further, there will be no smoking within 6 metres (20 feet) from any entrance into a bay or a doorway around the clubhouse. Do not drop your cigarette butts on the ground anywhere on our property. There are ash trays that are meant to be used.
