

October 2021 Special Edition E-Newsletter

REMINDER:

Last Sunday October 17, I have the unfortunate task of suspending two members for shooting before 12:00 noon on a Sunday. Please READ the Range User Guide and understand our hours of shooting and operations. Shooting after the designated sundown or before 07:30 Monday to Saturday or before 12:00 noon on Sunday is reason for a membership suspension

Port-A-Potties:

I have been advised by Bill's John's that some members have been depositing feminine hygiene products and adult and child diapers in the port-a-potties holding tanks. These items are NOT to be dropped into the holding tanks as they will plug up the vacuum equipment used to empty the holding tanks and could lead to damage. We will be installing sanitary waste units in each outside unit.

Range Update:

Range #5 is now closed until further notice. Once the expansion is completed, the CFO will have to re-approve the new configuration of the range. From Oct 19 until Oct 29 there is NO parking in the TRAP and SKEET parking area. You must park in the lower driveway to sporting clay and walk up to the TRAP and SKEET ranges. Please be mindful of the large, heavy equipment being used in these areas for the next while.

October Meeting,

The September meeting was held with only 6 members present but this will not be done going forward.

The October meeting signup only shows 10 members wanting to come so as of the signup deadline.

Given the lack of interest from our members to attend a general meeting, the board has decided that all meetings have now been cancelled until further notice.

Main Gate Access

Members if you find someone at the main gate having trouble with their access card, please **DO NOT** card them through the gate. Please advise them to call the number on their membership card. There may be a valid reason their access card is not working. Some past members have not returned their photo ID and access cards and we have disabled them.
