

March 2023

Membership Renewals

Membership renewals are now finished for 2023.

Access cards have been updated for all members that have renewed.

Should you find someone having trouble at the gate with their card not opening the gate, do not card them in as their membership most likely has expired, and they are not a member in good standing. Refer them to call the club.

All new card stickers for renewals have now been mailed out. If you have not got your new sticker by March 15, please send an email to renewals@ltvfg.ca

New Member Intake for 2023

We had 300 memberships up for grabs this year. Once the intake is complete, we will know if we did hit the 1,700 member limit. It seems some people signed up and then canceled.

Members Contacting the Club

Members please DO NOT use the contact form on the website to contact the club. This form is for non-members to use only. We do not regularly monitor this form.

General club questions: president@ltvfg.ca

Membership questions: renewals@ltvfg.ca

Mandatory workday exemptions, members please notify the club if you have an accessibility parking permit in YOUR name only and send a copy to renewals@ltvfg.ca or if you are 70 years of age or older please also send renewals@ltvfg.ca a copy of your birth certificate.

General Information

Remember that our club is, use at your own risk. All the YELLOW salt/sand bins have been filled with at least two bags. If they get low, please let us know ASAP.

Snow shovels have been placed on each bay for your use.

Bay #3, 50m (left side), is now closed until it can be repaired. Bay #3, 25m (right side) is still open for member use.

You are REQUIRED to pick up ALL spent cases when using our club. Your membership status will depend on it.

Cardboard TARGETS go in the sheds, ammo boxes and paper targets go in the GARBAGE.

IF you see something needing attention, please notify the club by text or email or phone.

Monthly, Sunday morning, workdays have all been posted in the "Members Only" section of our web site. The password is still 1352 for access. Please sign up if you can, these workdays go towards your mandatory work hours.

Always check our website and the online calendar before you head out the club to see the status of bays.

You should also always Google “Frankford Ontario Weather” to get the weather and road conditions in Frankford as they may not be the same as where you live.

2023 Club Events

There are a few major events at our club for this year, all events will need help to run them safely.

Shotgun Day, Ladies’ Day and Youth Day. As the signup for event staff opens, links will be posted in the “Members Only” section of our web site. Helping at these and other events help you gain workday hours, so you get the \$50.00 discount towards your next membership renewal.

2) DOUBLE-HEADER FORMAT: The feedback we've received from members travelling a few hours to get to the club for matches is that the double-header format is preferred, allowing twice as much shooting for the same amount of driving.

However, members also don't like waiting two months between match days.

We're going to keep running doubleheaders, and may have found a solution...

3) Starting in April, we're going to start running an ORPS Course of Fire in the mornings and an NRL22 Course of Fire in the afternoons.

NRL22 matches are like ORPS but slightly more challenging with varying and potentially longer distances. Lots more info here: <https://nrl22.org/>

The April and May NRL22 matches will be unofficial... scores will not be submitted. The 2023/2024 season starts in June, and if there is enough interest we will register LTVFG as an official NRL22 club and submit scores so that members can compete nationally and qualify for prizes and the national finale.

Ladies Day Saturday August 5, 2023

More information to follow shortly.

Mapleseed Saturday July 29, 2023

Bay #3 will be closed for this event.

Please see that link below for information and sign up details.
