

## May 2023

Members, when you joined our club, you also joined our community. This mean you are a part of something big. It also means that you are a part of what it takes to make and keep our club great. Please do your part to help keep our facility clean. You are also a volunteer for the club. Please help where you can. If you see something not right, report it please.

**Did you know**, your membership can be in jeopardy if you fail to clean up after yourself after you finish using the facility/bay(s). If you leave a mess, spent cases on the bay floor or generally leaving the bay in disrepair, you will be suspended if not terminated.
