

SPECIAL CLUB UPDATE

Youth Day Updated

Reminder to members - the club will be closed for Youth Day all day Friday June 2 for set up, and all day Saturday June 3 for the main event. There will be no member shooting both days.

Youth Day 2023 is now sold out. There will be no walk ins permitted for this event. Tickets are required and must be presented at registration.

If you are still interested in volunteering, please contact Jeff at youthday@ltvfg.ca

Ladies Day Update

The Ladies Day tickets will be going on sale the week of Sunday June 4th online on our web site and Facebook.

If you are still interested in volunteering for the event, please [CLICK HERE](#) or contact Nick at ladiesday@ltvfg.ca

Facility Maintenance

On Monday June 5th the club will be getting heavy equipment in to facilitate some of the major work we have to perform around the club. There will be short notices on our web site and Facebook about bay closures to perform this work. Please be mindful of the equipment and stay clear of it. This important maintenance work will take priority over members use of bays. We will try our best to keep members updated.

Bay Updates

The new, updated, bay flip signs have been reinstalled. We have had to add a sign on top reminding members that they MUST pick up all spent cases and clean up the bay before they leave.

New Member Intake

The 2023 new member intake is now completed. The 2024 waiting list is on our web site.

2023 Bylaw Update

Please click on the link [DRAFT BYLAWS](#) to review and vote/comment on the purposed changes/updates.

Archery Range Closure

To facilitate collecting water samples on Tuesday June 13, 2023, the lower 3D and BUTT ranges will be closed.

Contacting The Club/Board

When trying to contact the club please use the following contact information.

President

For general facility questions or concerns

Club main phone: 613-398-8946 (Voice only)

Cell phone: 705-930-1704 (Voice or text)

Email: president@ltvfg.ca
