Multi Year memberships.

Any possible price increases in 2025 and 2026 would not apply to you.

Please note, once paid the future amounts are not refundable. If you move or are no longer able to use the club, we will not refund any of the payments, they will be considered a donation to the club.

Members over 70 or with a disability must provide the club with government issued documentation (without any medical information) such as and disability parking permit or a CRA disability credit, to be pre approved for exemption to this fee.

If you have already paid the maintenance fee for the following year a refund cheque will be issued.

CSSA.

Many members also belong to various firearm/hunting organisations and we encourage you to support as many of those organisations as possible to help ensure the future of our sport.

At this club CSSA membership is mandatory. If you are not paying through this club, it is your responsibility to maintain CSSA coverage up to your LTVFG membership expiry date. Your CSSA number, expiry date and how it was paid must be entered.

If you pay your CSSA directly it is important that you inform us as once your payment is made so that we can update your new CSSA expiry date in our records.

Please note, if you have a lifetime membership of the CSSA then it only applies to the individual. For family membership, you will have to contact the CSSA directly for family coverage.
