Membership Stickers

The club no longer sends out year stickers for membership cards or renewals. The stickers were originally only for the old photo ID cards. Now that we also have main gate access cards, which control access to the club these stickers are no longer required. It was thought that the cost, around \$5,000.00 per year would be better spent on club improvements. In addition, about 80% of the workload in processing renewals, all done by volunteers, was printing, and sending out stickers.

New Members

There is one FINAL push to bring in new members for 2024. If you know anyone the sign up is now public at: <https://www.eventbrite.com/cc/2024-new-member-information-session-3099809>
