WHY??????

REMINDERS

- DO NOT bring these shot up backers to the clubhouse or hide them in the sheds on the bays. Leave them on the bays outside of the sheds for pickup.

- There is so much life left in this backer and it should not have been removed from the bay. If you can put a target on it it is still usable. Please help keep costs down so membership fees don't go up.

- DO NOT put rocks on bays. And definitely do not shoot at rocks. If you see them on a bay, please let the club know ASAP.

- There is NO SHOOTING on the outdoor ranges before 7:30 am (noon on Sundays).
- There is NO SHOOTING outdoors after sunset. Follow the link: <https://ltvfg.ca/>
